Advance-Nilfisk Parts - Think about how tedious it will really be to tidy up your home after throwing a big party, without assistance from cleaning equipment. In the past, when carpets and upholstery had the dust beat out of them manually; brooms, cleaning cloths and brushes were the state-of-the-art cleaning materials of that time.

P.A. Fisker, the man who founded Nilfisk-Advance, was an electrical engineer who really loved working with electrical motors. Starting the business in 1906, he started to produce motors in order to drive fans, machine tools, coffee grinders and drills. Mr. Fisker's vision from the beginning was to own a global company advertising products worldwide.

The Nilfisk C1 was a tremendous breakthrough for the cleaning business. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed only 17.5 kilos and could be operated by one person. This invention came in a time where numerous cleaning equipment were huge and needed 4 or more operators, hence, the Nilfisk C1 transformed everything and evolved the way we clean forever. The mastermind behind these very first cleaning equipment remains unparalleled. Cleaning equipment provide an excellent solution to an existing problem; stuff get filthy and should be cleaned regularly, without too much effort.

Gradually but steadily, Nilfisk-Advance grew through the years. In the nineteen eighties, this development really took place when the company became a part of the NKT Group. Their new owners' ambition and motivation made Nilfisk-Advance take a huge leap ahead within the industry, aiming to be amongst the leading universal players in the market of professional cleaning machines. Nilfisk-Advance is presently found in all parts of the world due to gradually acquiring numerous smaller companies so as to develop their product range and presence in new markets. They are really proud to offer various cleaning solutions to meet each and every need.
